**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please support broadband competition. I used to have Comcast broadband and was bogged down by their poor business practices of contracts, complicated contract terms, prices increases, bills designed to be confusing, and poor customer service. I was finally able to switch to Sonic fiber and it's been incredible. A simple bill, good customer service, and very fast internet. No strings attached.

More competition please!

Many thanks for your time,
